

Jason A. Gibson

Civil Litigation

Known for his aggressive representation and winning record at the courthouse, Jason Gibson has become one of Texas' most successful Trial Lawyers. "At The Gibson Law Firm, we believe aggressive representation is effective representation," he says. Gibson's firm focuses its practice on cases involving catastrophic personal injuries, wrongful deaths, consumer fraud and business disputes. Gibson handles a wide variety of high-profile cases, many of which have attracted both local and national media attention. Gibson is a regular speaker on subjects related to consumer rights and is an adjunct professor at the University of Houston Law Center, where he teaches trial advocacy.

Gibson has been previously honored as one of Houston's "Top Lawyers for the People," March 2005, one of Houston's "Top Professionals on the Fast Track," December 2005, one of Houston's Top Lawyers for the People," January 2006, one of Houston's "Top Lawyers," June 2008, one of Houston's "Top Lawyers for the People," February 2009 and one of Houston's "Top Lawyers," June 2009.

Areas of Practice: Plaintiffs' Trial Lawyer, handling Serious Personal Injuries, Wrongful Deaths, Consumer Fraud and Commercial Litigation.

Education: Stephen F. Austin State University, B.A.; University of Houston Law Center, J.D.
